The RTPI Ireland Executive Committee is elected from RTPI members at the Irish Branch Southern Section's Annual General Meeting. The 2011 Committee was elected at the Annual General Meeting held in December 2010.

The Committee meets monthly in Dublin, usually on the second Wednesday of each month. A Committee meeting will also be held in Cork in May 2011.

New members to the Committee are always welcome. In particular, we are seeking two RTPI student members to join the Committee this year.
