## Planning Aid England Giving Scheme

The Royal Town Planning Institute has set up a Planning Aid England (PAE) Giving Scheme to help support its work following the significant reduction in PAE's funding from Government. Donations will only be used to support the work of PAE.

Planning Aid England provides free, independent and impartial planning advice to communities and individuals who cannot afford professional fees. We need to raise funds from a variety of sources, including individual, company and group donations. Please consider a donation.
