# CLIMATE CHANGE AND ENERGY MANAGEMENT

**A One-Day Conference being held on  
TUESDAY 22 APRIL 2008**  
in  
**THE MUSIC ROOM, THE ASSEMBLY HOUSE,  
THEATRE STREET, NORWICH, NR2 1RQ**

The Planning and Climate Change – Supplement to Planning Policy Statement 1 - was published in December 2007.

This conference aims to reflect on what this means for those involved in addressing climate change. It will address what else can be done to mitigate climate change with a focus on energy management through the use of green buildings and a sustainable waste management park.

This conference will focus on:

- Supplement to PPS1
- Carbon reduction
- Experiences of a local authority in addressing climate change
- Code for Sustainable Homes
- Green Buildings in Norfolk
- Sustainable Waste Management

There will be the opportunity to ask questions to the speakers and to exchange views and experiences with others. An optional **walking tour** around Norwich, focusing on recent regeneration activity, has been organised immediately after the conference, followed by the **RTPI East of England AGM** and the **Regional Quiz** (see separate flyers).
