Y brîff₁

The brief₁

- Cynhyrchu canllawiau dylunio sy'n cydblethu gofynion statudol y system gynllunio newydd, anghenion trigolion a diogelu'r bensaerniaeth gynhenid wrth chyflawni datblygiad cynaladwy
- *Produce design guidance which intertwines the statutory requirements of the new planning system, residents needs and protection of traditional architecture whilst delivering sustainable development*

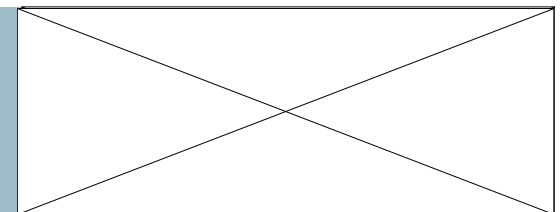

SNOWDONIA NATIONAL PARK
One of Britain's breathing spaces

Y brîff₂

The brief₂

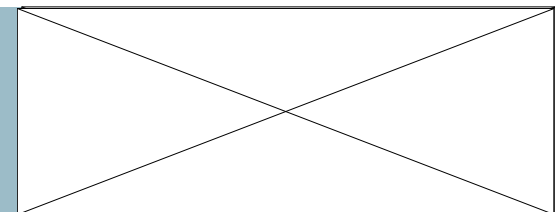

- Rhestr wirio i asesu cynaladwyedd cynlluniau a chynnigion
- Dogfen hawdd ei deall sydd yn cyfathrebu materion a thestynnau perthnasol megis effeithiolrwydd a chynhyrchu ynni.
- *Check list to measure sustainability of designs and proposals*
- *Easy to understand document which clearly communicates relevant issues and topics such as energy efficiency and production.*

Y ddogfen

The Document

- Gosod allan:
 - Rôl cynllunio mewn perthynas a chyflawni cynlluniau a datblygiad cynaladwy
 - Gofynion bydol ac anghenion lleol
 - Manteision cynllunio cynaladwy
 - Cynllunio cynaladwy yng nghyd-destyn PC Eryri
- *Sets out:*
 - *The role of planning in relation to achievement of sustainable design and development*
 - *Global requirement and local needs*
 - *The advantages of sustainable design*
 - *Sustainable design with the context of Snowdonia NP*

Camau nesaf

Next stage

- Hyrwyddo'r ddogfen
- Llunio fersiwn lleol
- Bod yn ymatebol i newidiadau polisi
- *Publicize document*
- *Develop local version*
- *Be responsive to policy changes*
