Dear Sir/Madam,

RESPONSE TO: Call for Evidence on Spatial Planning and Health

Thank you for the opportunity to respond to the above. The Royal Town Planning Institute is a membership organisation representing over 22,000 spatial planners. It exists to advance the science and art of town planning for the benefit of the public.

This document responds to the Call for Evidence on Spatial Planning and Health circulated by the National Institute for Health and Clinical Excellence (NICE).

The evidence that follows has been submitted by members of the Healthy Communities Interest Group of the RTPI Environmental Planning and Protection Network.

If you require any further assistance, please contact Nicola Gough, RTPI Network Manager on 0844 232 8083 or email network.manager@rtpi.org.uk.

Yours faithfully,

Matt Thomson
Acting Director Policy and Partnerships
