Dear Mr David Latimer

**Subject: EU Emissions Trading Scheme Charging Scheme Northern Ireland – A Consultation.**

Thank you for the opportunity for the Royal Town Planning Institute in Northern Ireland to respond to the consultation on the EU Emissions Trading Scheme Charging Scheme Northern Ireland.

The policy for charging is in keeping with EU regulations and also in keeping with the Climate Change principles of the Royal Town Planning Institute. I would refer you to the RTPI website which contains the 7 key principles of the Institute which you may find useful in support of the policy they can be found at [www.rtpi.org.uk](http://www.rtpi.org.uk).

In general, RTPI NI supports the proposal for the Charging Scheme Northern Ireland which is comprehensively covered and should be clearly understood by the public, developers and planners.

If you require any clarification, or feel you need further comment, please contact me at the above address. .

Yours sincerely,

(Unsigned email copy)
