## HOW TO MANAGE FLOOD RISK & SURFACE WATER

A One-Day Conference being held on

**TUESDAY 28 SEPTEMBER 2010**

In the **CIVIC SUITE, HUNTINGDONSHIRE D.C. OFFICES,  
PATHFINDER HOUSE, ST MARYS STREET, HUNTINGDON, PE29 3TN**

This conference will introduce ongoing moves to Open Source Planning, review new legislation on water management and development, review recent work and provide commentary on guidance for surface water management and other flood risk plans. This will be supported by updates on some relevant planning decisions along with presentations on ongoing 'best practice'.

It will be of particular interest to planners in authorities who deal with development strategies, development plans and development management, planning consultants, engineers and lawyers seeking to learn more about surface water management in its widest sense and what it means in strategic planning, masterplans, urban design and engaging with communities.
