Welcome to our 2018 training courses

We have a refreshed programme of tailored training courses on offer for you and your colleagues. A wide selection of high quality masterclasses and briefings are available in nine easily accessible locations across the UK.

Our **briefings** offer a key combination of the latest updates and case studies brought together to give you practical insights into current issues including Planning Law updates.

Led by subject experts, our **masterclasses** focus on specific technical and key development topics including Environmental Impact Assessments.

Key benefits

- Save up to 30% on 2017 prices
- New locations added across the UK
- Improved course content
- Dedicated RTPI Training team
- New courses for Scotland

Training held in:
Belfast, Birmingham,
Cambridge, Cardiff,
Edinburgh, Leeds,
London, Manchester,
Nottingham

How to book
Book online at rtpi.org.uk/training

Why you should attend?

- Learn the latest developments
- Expand your technical skills
- Gain new insights and enrich your knowledge
- Meet your CPD requirements
- Hear from the experts
- Share ideas and learn from your peers
- Experience interactive and stimulating sessions

Get more from your training budget

With our multi-buy offer, you can:

- Book a course from £199* per person
- Pre-purchase delegate places in blocks of either 5, 10, 15, 25 or more
- Mix and match the number of places and events. For example, you can book five people onto one event, or the same person onto five events.
- Book onto any RTPI Training event (*based on pre-buying 25 or more places, terms and conditions apply)
