Application Fees for RTPI Learning Partner status 2019

The annual fee below replaces the old, five year fee schedule

.....

A reduction on the full application fee is available to smaller organisations, based upon the number of Chartered Planners employed. These reductions are on a sliding scale, as shown below.

Number of Chartered Planners (MRTPI)	Fee per application (excluding VAT)	Discount (% of full fee)
40 or more	£500	No discount
20 - 39	£375	25%
10 - 19	£250	50%
5 - 9	£125	75%
Fewer than 5	£50	90%

The fee is paid in January of each year.

Being a Learning Partner allows the organisation to advertise itself as an RTPI Learning Partner (including use of the logo and inclusion in the online list of RTPI Learning Partners) and includes processing of the initial application and the annual monitoring returns.
