Submissions

The National Organizing Committee of the conference calls for submission of high quality papers on the conference theme and sub-topics for presentation in the conference. The papers are expected to be original, conceptual, constructive, empirical, experimental, or theoretical work. Presentation shall be on A4 paper, double line spacing, new times roman or century gothic fonts at 12 points and not more than twenty-five pages.

- Papers must be appropriately referenced.
- Illustrations (pictures, maps, diagrams) must be in their best colours.
- Presenters are also to prepare power point format with not more than 16 slides.

All submitted conference papers will be blind peer reviewed by three competent reviewers. Submissions that do not comply with the instructions and size limits will be rejected without review. Abstracts of papers are to be submitted by authors to the e-mail addresses below before 31st May, 2014.

Accepted Contributions

Presentations are voluntary and at authors' cost. Authors of accepted papers will receive acknowledgement and further instructions for preparing their camera-ready and power point versions. All accepted contributions will be published in the conference proceedings. Some high quality papers will also be selected for publication in a special issue of the Journal of the Nigerian Institute of Town Planners (JNITP). All full length papers of selected presentation must be submitted to the mail boxes below before 31st July 2014.

Conference Sponsor and Exhibitor Opportunities

The Conference offers the opportunity to individuals, private organisations and public agencies to sponsor or exhibit their products within the environment of the conference. Interested partners should please contact the NITP Secretariat for the Conference Sponsorship/Exhibition Request Form.

All full length papers of selected presentation must be submitted to the mail boxes below before 31st July 2014.

NASH THE PRESENT

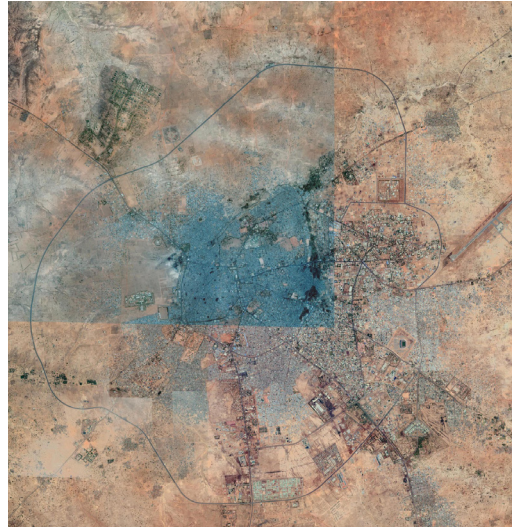

NASH THE PRESENT

NASH

THE PRESENT

- 450,000 people
- Capital of the Katsina Emirate
- Established City in C12th
- Centre for both Hausa and Fulani
- At it's core is the Gidan Korau royal palace and complex within the ancient city
- Kofar Soro, the site of the old gate to the palace, remains as a open space

NASH

THE FUTURE

SO WHY?

- **URBANISATION AND GROWTH IN THE DEVELOPING WORLD**
- **SUSTAINABLE DEVELOPMENT GOALS (SDGS) – THE WORLD IS WAKING UP TO THE CHALLENGES AND THE OPPORTUNITIES**
- **TRADE – AS BRITAIN TURNS IN ON ITSELF, WE NEED TO LOOK OUTWARD**
- **BRINGING A NEW PERSPECTIVE AND EXCHANGING IDEAS = INNOVATION**
- **ADVENTURE!**
- **A CHALLENGE!**
